**PETITION TO MAKE SPECIAL UNDER 37 CFR 1.102(c)**

Mail Stop Patent Application  
COMMISSIONER FOR PATENTS  
P. O. Box 1450  
Alexandria, VA. 22313-1450

Dear Sir:

Pursuant to the provisions of 37 CFR § 1.102(c), and in accordance with the guidelines set out in MPEP § 708.02 V, the above-named Applicant in the above-identified application hereby petitions the Commissioner of Patents and Trademarks to make said above-identified application special with regard to advancing it out of turn and whatever other action will advance the examination and prosecution of said above-identified application.

This petition is being made on the basis of Applicant's age, proof of which is supplied in the form of a copy of Applicant's birth certificate. Attention is thus directed to the attached copy of Applicant's birth certificate and Curriculum Vitae.

Applicant is not aware of any prior art related to this application.

In accordance with the provisions of 37 C.F.R. § 1.102(c), no petition fee is required for this petition.

Respectfully submitted,

A handwritten signature in cursive script that reads "Veronica Mallon".

Veronica Mallon, Ph.D.

**Patent Inventions:**

**Patent I**

Title of Invention: Nutritional or Therapeutic Composition.

Patent No.: US 6,592,908 B1

Date of Patent: July 15, 2003.

Abstract: Nutritional or therapeutic compositions containing glutamic acid, cystine, glycine and a selenium precursor and methods for their utilization to increase glutathione synthesis and thereby enhance the immune system as described.

**Patent II**

Title of Invention: Nutritional or Therapeutic Supplement and Method

Patent No.: US 6,667,063 B2

Date of Patent: Dec 23, 2003

Abstract: Nutritional compositions containing selenium, colostrum and whey are described. The compositions may be mixed with mammalian food to increase the concentration of glutathione in the mammalian body thereby to enhance the response of the mammal's immune system to infection.

**Book Publication:**

Dr. Crum is the author of the book The 10-Step Method of Stress Relief: Decoding the Meaning and Significance of Stress, published by the CRC Publishing Company © 2000, ISBN #0-8493-0063-0. Being reprinted by Stress Watchers Press.
